MUTUKAROA

This year, we've been very excited about the Mutukaroa programme at Robertson Road School. Mutukaroa is a home-school partnership programme for children and their whanau in Years 1, 2 and 3. We meet with families and inform them about their child's learning, set learning goals and provide learning resources for families to use with their children at home, to achieve these learning goals. We've enjoyed meeting many of our families in the junior school and look forward to meeting many more. We'll be in touch with our new junior school families soon. We're looking forward to meeting you all!

The school will be participating in this event on **Friday 23rd October.**
