Tena Koutou, Malo le Soifua, Malo e Lelei, Kia Orana, Fakalofa lahi atu, Namaste, Greetings

We are in the final week of term-what a great term it has been. I have had the opportunity to learn about the school and its awesome community.

Early next term I am going to run a 'Meet the Principal' evening to give you a chance to find out more about me and where I see the school going. It will also be a chance for you to have your say about our vision and values as we move forward. More details to follow early next term.

I want to take this opportunity to thank you for the support you have given your children's learning across the term. Have a safe and productive break.

More next term.

You might have heard about Stoptober on the radio or seen Stoptober on the TV or you may have even met the Stoptober promoters at the school gates on Wednesday the 17th. The CMDHB Quit Bus was at the school at 3.00 pm talking to parents about getting family at home who smoke to sign up to the Challenge and give quitting a go!
The kids certainly know about the 31 day Stoptober quit smoking challenge and told the Stoptober crew at Robertson Road School they'd seen the ads on TV and wanted everyone at home who smokes to join the challenge.

It's really easy to take part in the Stoptober Challenge – all you have to do is visit www.stoptobernz.co.nz

Now is the right time – you're five times more likely to stop if you make it to 31 days!

Go to the Stoptober website now for all the free support! You can get free patches and gum if you want and even meet a local expert quit coach to help. It's all free!

It doesn't matter if you've tried before, the more times you try the more likely you are to succeed.

Your children, your health, your loved ones and your income all need you to quit smoking.

Call 0800 569 568 or text NOW to 226 for more information!
