## From the Principal

Kia Ora

The weather is beginning to pick up and so is the pace of the term. Thank you again to all the families who made our community workshop on 13 November such a resounding success.

The feedback regarding our development strands has been noted and we were overwhelmed by the level of support our community is willing to give to our school.

Our next steps will be for the teams (Vision, Values, Pedagogy, Community Liaison and ICT) to contact those who had offered their services just before the term commences next year and look at how we can begin to make our projects a reality.

For your diaries-our next community event will be on 5<sup>th</sup> February 2015.

Have a safe fortnight.
