Warm Pacific Greetings

The first week of summer has been great. Looking forward to more of this over the coming weeks.

Developing educationally powerful partnerships is a key focus for 2015. We are looking to develop this in three ways:

- Mutukaroa our new Year 1-3 learning partnership programme. More information will be available at our brand launch on 4th February.
- working together to build our development strands through the teams we launched at our last event (Vision, Values, Pedagogy, Community Liaison and ICT). Teams will contact those of you who offered your skills and talents late January to look at how we can begin to make our projects a reality.
- working closely with families of students who may need some additional support to achieve their full potential.

Please keep the evening on 4th February from 6pm free. We will be launching our brand and have Manu Fa'aea-Semeatu, National Pasifika Coordinator from CORE education as our guest speaker. Let's look at sharing some food and fun together then to start the new year.

Have a safe Christmas.
