New Enrolments:

We are changing the procedure for new enrolments. All enrolments will meet with Mrs Elson before being placed into classes. Please enrol your children in plenty of time before they are due to start school, especially your 4 year olds. Enrolling 4 year olds early helps us plan for their entry into school.

Learning is in full swing at Robertson Road School. I am excited to see students focussed and making a great effort in their learning as I walk around classrooms. Teachers are receiving good learning opportunities and are implementing this learning into their classroom program.

The traffic around the school has increased due to the building project across from the school. We often make a plea to motorists to take care on the roads when driving around our school community, to watch out for children and to keep their speeds down. We are aware that there is limited parking around the school, your patience is appreciated.

Next week we have meet the teacher and goal setting interviews, which help us to focus on the year ahead. The goals set at this meeting will be reviewed regularly. A good starting point for a child's goals will be the conversations your child has with the teacher and yourselves therefore we look forward to seeing ALL parents and caregivers at this important meeting.

COVID-19 (Coronavirus)

Focus on prevention - the best preventative steps for any communicable disease include simple but important measures to practice as part of your daily routine, but especially during flu season:

- wash your hands often with soap and water for at least 20 seconds and dry thoroughly;
- avoid touching your eyes, nose, and mouth with unwashed hands;
- avoid sharing anything that has come in contact with saliva, whether in your living or social environments;
- stay home when you are sick and seek medical attention;
- cover your cough or sneeze with a tissue, then throw the tissue in the rubbish;
- get adequate sleep and eat well-balanced meals to ensure a healthy immune system.

Some ideas for healthy lunches for your children.

Try a different one each day.

Lateness:

This is still a **BIG PROBLEM**. Too many students are arriving to school late. If your child/ren arrive to school everyday 10 minutes late (9.00am) they are losing almost 1 hour of schooling per week, 30 minutes late (9.20am) they are losing 2.5 hours of schooling each week. Please try to get your child/ren to school ready to start work at 8.50am everyday.

Child/ren Leaving Early:

Please come to the office and sign your child out BEFORE going to the classroom, you need the sign-out slip to show to the teacher. Thank you.

School Banking:

Thursday – make sure you drop your envelopes into the banking box.

Wanted:

Do you know anyone who works in the printing industry? We are looking for A3 /A2 card for our specialist art programmes. Please contact the office if you can help.

Do you have green fingers and a few hours to help out? We would love to have you help us with our Garden to Table programme. Please contact Mrs Elson, either drop in or phone 275-6224

Goal Setting Interviews:

Have you booked your interview times yet? Go to www.schoolinterviews.co.nz Event No: wj2ju

You can also call into the office or ring 275-6224 and book if you do not have internet.

No lessons for students this day. Please bring them along to the interview and then they go home.
